DHL EXPRESS

BENEFITS FOR YOUR BUSINESS.

Change the way you ship for the better.

New eMailShip features:

- Depending on origin and destination, all DHL products are available, including Express morning delivery options and Economy Select.
- For cash payments, shipping rates are e-mailed to the user.
- Enter multiple e-mail addresses to receive delivery notifications.
- The waybill is aligned with DHL global standards and includes piece ID information, which allows users to track by shipment or piece.

Improved productivity and time saved

- The PDF shipping forms are simple and user friendly.
- Reuse details in the forms for your next shipment, saving you time and effort.
- Reduce errors that may occur due to manual preparation as the system will instantly check the information input.
- Reduce paperwork and save storage space.

Enhanced convenience and ease of use

- High-speed Internet access is not needed as the tool uses e-mail to send and receive shipment details.
- You have the flexibility to work offline at your own leisure.
- Schedule pickups without having to pick up the phone.
- No user IDs and passwords need to be remembered.
- Installation of a third-party plug-in on company computers is not required.
- Cumbersome software installations, upgrades, or costly maintenance are not necessary, saving you time and effort.

WHAT DO I NEED TO GET STARTED?

You will need a PC with Internet access, a laser printer, an active e-mail account, and a DHL account number with available credit or to pay by cash at pickup.
